

Retrofitting for the Future

Low carbon housing – developing a baseline for refurbishment in the West Midlands

Monday 23rd March, the studio, Birmingham.

Registration starts at 9.30am

You are formally invited to the launch event for the WMRA/AWM report “Low carbon housing – developing a baseline for refurbishment in the West Midlands” will be held between 10am and 1pm at the studio in Birmingham (<http://www.orangestudio.co.uk/gettinghere.htm>) on Monday 23rd March 2009.

As well as a copy of the report and an accompanying CD ROM there will be a series of presentations and a panel discussion.

Speakers for the event include:

- Olwen Dutton, **West Midlands Regional Assembly**, Chief Executive.
- Paul Spooner, **Homes and Communities Agency**, Regional Director.
- Lynne Melling, **Energy Savings Trust**, Advice Centre Manager.
- John Sharpe, **Sustainable Housing Action Programme (SHAP)**, Director.
- Ellie Cooper, **Faithful and Gould**, Senior Carbon Management Consultant.

With a welcome from Cllr John Lines, Chairman, Regional Housing Executive
