Dear Mrs Perceval-Maxwell

**WMRSS PHASE 2 REVISION – EXAMINATION IN PUBLIC  
REPLACEMENT OF SAVED STRUCTURE PLAN POLICIES**

I am writing to you further to two letters that were sent by the West Midlands Regional Assembly (WMRA) on the 20<sup>th</sup> March 2009 and the 23<sup>rd</sup> April in relation to the above subject. In these letters I referred to the fact that the WMRA and the Government Office for the West Midlands (GOWM) would be meeting to discuss the latter's schedule which formed Appendix 3 of their response to the Draft Revision.

The purpose of this letter is to inform the Panel that GOWM and WMRA have now agreed to jointly submit a revised schedule of those saved Structure Plan policies that the Draft Revision should replace. This revised schedule is attached for the Panel's consideration.

Whilst the schedule details all the saved Structure Plan policies, it distinguishes those policies which it is considered that the Draft Revision should replace in order to give the Panel comfort that the future of all the saved policies have been properly considered.

In preparing the revised schedule the Panel should also be aware that the views of the relevant Structure Plan Authorities have been sought and there is no objection from any of them as to the content of schedule being submitted to the Panel.

If you require any further clarification regarding this matter, then please contact my colleague Tim Williams on 0121 678 1050 or via [t.williams@wmra.gov.uk](mailto:t.williams@wmra.gov.uk)

Yours sincerely
