RSS 2 REFLECTION ON EiP MONITORING

- Recognition of Quality of RSS Monitoring in West Midlands
- Value of Stakeholder engagement
- Strength of local inputs within regional framework
- Importance of intelligence as opposed to just data
- Some scope to be smarter
- Importance of wholesale monitoring not just RSS

RSS PHASE THREE

- Project Plan approved March 2009
- June-August 2009 consultation on Options document
- GOWM/WMRA/AWM stock take suggests pressing on with Preferred Option regardless is not the best option
- Interim policy statements
- Challenges of new Strategy for West Midlands
